SUBJECT : Lieutenant General Samuel V. Wilson, USA

1. During the past eighteen months, Lt. Gen. Samuel V. Wilson has served as Deputy to the Director of Central Intelligence for the Intelligence Community with vigor, dedication and great distinction. During this time, his achievements have been many and his personal contribution unique.

2. In recognition of his outstanding service, General Wilson was awarded the Intelligence Community's highest award, the National Intelligence Distinguished Service Medal, an award which has been presented to only five other individuals. The award was approved by the United States Intelligence Board acting as the Community's Honor Awards Board, and was presented to General Wilson by the DCI, George Bush, on February 19th.
